Portage Opportunity Group

The aim of POG is for children, parents and carers to meet in a relaxed and friendly atmosphere in which they are able to play and learn together.

The Portage Opportunity Group is only accessible to children and parents/carers receiving active Portage Home Visits. The core offer is to provide a wide variety of appropriate play activities, planned to support your child's learning and development. It also offers the opportunity to meet other children known to Portage who have a similar learning profile, and their families. The group is facilitated by all four Portage Home Visitors.

Session times are: 10am until 11:30 on a monthly basis—dates to be confirmed at the start of each academic year and given to individual families by their Portage Home Visitor
