

Welcome to Healthy Learning, Healthy Lives

Healthy Learning, Healthy Lives (HLHL) is Doncaster's Healthy Schools and Early Years award. It is designed to support you to improve the health and wellbeing of the children and families you work with. By signing up to HLHL you will have access to an online portal to upload evidence.

Learning to use the wheel: A how-to guide to using the wheel will be provided to you. Read through this guide. For a simple video of the functions, go to: <http://www.cdwheel.co.uk/take-the-online-tour/>

We can also provide you with a face to face demonstration of the wheel. Get in touch to find out more.

The HLHL Accreditation Criteria: In Central Documents you will find one of two sets of criteria for Healthy Learning, Healthy Lives. Key Stage 0 (Early years providers) and Key Stage 1-5 (Schools). Most school nurseries will choose to contribute to their School's Key Stage 1-5 award rather than also doing the Key Stage 0 award. Please read and refer to the full criteria, rather than just the brief notes you will find in each criteria section.

Completing your HLHL Wheel and submitting for assessment: The HLHL Criteria make up the segments of your wheel. All levels (except the outer, "Enhanced" level) should contain enough evidence and should be turned green in order to be assessed for your HLHL Award. When you are happy with your evidence and your wheel is green, contact us. We will assess your wheel within 4 weeks and feed back to you by email. If you haven't done quite enough, we will turn the relevant parts of your wheel back to amber and will add some notes telling you what more you need to do.

Once you have your award we will send you an e-certificate and the logo to be used in your communications and publicity. Once you have your HLHL Award you may want to go for your Enhanced award, further details are the HLHL website.

We recommend that you keep your HLHL Wheel up to date and keep adding to it. You can use it for lots of other purposes, such as inspections, meetings and progress reviews. You will also have to re-submit 3 years after you gain your HLHL Award.
